

BIT's 5th Annual Conference of Analyti x 2017

BIT's 5th Annual Conference of AnalytiX 2017 (AnalytiX-2017) will be held on March 22-24, 2017 in Fukuoka, Japan. AnalytiX-2017 is an international event focusing on the core knowledge and major advances in the ever-expanding field of Analytical Sciences and Technologies by attracting experts on a global scale and we will supply the most cutting-edge technology information to you. With the participation of outstanding international experts, we hope productive discussions would stimulate new creative ideas to translate new discoveries into better practice and application. We hope your participation would contribute to your professional development and relationships. AnalytiX-2017 will continue to build upon the success of past 4 years, offering a top-notch scientific program created by international experts in related fields. For more details about this meeting, please visit website: <http://www.bitcongress.com/Analytix2017/>.
